IMMEDIATE OPENING GIS/CAD TECHNICIAN

Closing Date: Open Until Filled

Ecoscope Environmental Consultants Ltd. is an environmental consulting company located in Kelowna, BC. We provide a broad range of environmental services for our clients, focusing primarily on biophysical inventory and mapping, ecological landuse planning, ground water/contaminated sites and fish and wildlife studies. Ecoscope offers exciting opportunities for individuals to work on a wide variety of projects throughout BC. We are currently seeking applications for the following opportunity:

GIS/CAD Technician

The ideal candidate will have the following skills:

- Excellent knowledge of ArcGIS Desktop, databases, map production, and spatial analysis (examples may be requested)
- Relevant experience using a wide range of statistical and GIS methodologies
- Excellent knowledge of AutoCAD
- Ability to create cross sections and profiles in AutoCAD Civil 3D
- Ability to produce clear, concise, and aesthetically pleasing outputs from ArcGIS and AutoCAD
- Proficiency with MS Office
- Ability to multitask and work well with a multidisciplinary team
- Strong written and verbal communication skills and excellent time management (examples may be requested)

Additional skills that are preferred, but not necessary to apply:

- Experience with ArcGIS Pro
- Experience with forestry and provincial GIS datasets
- Experience with local flora and fauna identification
- Experience with watershed delineation
- Knowledge of ecology and/or environmental studies

Interested persons are encouraged to submit resumes electronically or in person with a cover letter detailing your experience to: ecoscape@ecoscapeltd.com. We thank all those interested in this opportunity; however, only those short listed will be contacted. Shortlisted candidates can *expect to take a short (1 hour) GIS/CAD practical exam at our office*, which must be completed satisfactorily prior to having a formal interview.
