IMMEDIATE OPENING JUNIOR / INTERMEDIATE BIOLOGIST

Closing Date: Until Position filled

Ecoscope Environmental Consultants Ltd. is a small environmental consulting company located in Kelowna, BC. We provide a broad range of environmental services for our clients, focusing primarily on biophysical inventory and mapping, ecological landuse planning, fish and wildlife studies, groundwater assessments, and contaminated sites investigations. Ecoscope offers exciting opportunities for individuals to work on a wide variety of projects throughout BC. We are currently seeking applications for a **Junior / Intermediate Biologist**.

The ideal candidate will have the following skills:

- Proficiency with MS Office and with GIS
- Preference given to those with some consulting or similar experience or whom are eligible for grant programs like ECO Canada
- Experience working with fish, wildlife and ecosystems of the southern interior of BC, with preference given to those with background in aquatic sciences
- Experience with environmental permitting and associated environmental construction monitoring of small or large infrastructure projects
- Knowledge of the Riparian Areas Protection Regulation, local government processes and bylaws, and pertinent provincial and federal legislation to prepare environmental impact assessments
- Excellent oral, written, and data presentation skills
- Ability to multitask and work well within a multidisciplinary team
- Knowledge or experience with engineering and construction practices
- Strong written and verbal communication skills and excellent time management (examples may be requested)
- Preference given to candidates certified in backpack electrofishing, Riparian Areas Protection Regulation, Environmental Monitoring, Erosion and Sediment Control, Swift Water Rescue Technician, Small Vessel Operator Proficiency (SVOP) and/or Marine Emergency Duty (MEDA3).
- Preference will be given to candidates with who are highly motivated to self-train, improve their skillset and quickly and effectively take on greater responsibility.

Interested persons are encouraged to submit resumes electronically or in person with a cover letter detailing your experience to: ecoscape@ecoscapeltd.com. We thank all those interested in this opportunity; however, only those short-listed will be contacted. Short-listed candidates can expect to appear in person for an interview at our Kelowna office. We will consider reasonable travel expenses following a pre-screening phone interview.
