

## IMMEDIATE OPENING INTERMEDIATE / SENIOR BIOLOGIST

Posted: July 21, 2023 – Closing Date: Until Position Filled

---

Ecoscope Environmental Consultants Ltd. is a small environmental consulting company located in Kelowna, BC. We provide a broad range of environmental services for our clients, focusing primarily on biophysical inventory and mapping, ecological landuse planning, groundwater assessments, contaminated sites investigations, and fish and wildlife studies. Ecoscope offers exciting opportunities for individuals to work on a wide variety of projects throughout BC. We are currently seeking applications for an **Intermediate / Senior Biologist**.

The ideal candidate will have the following experience/skills:

- Proficiency with MS Office.
- Minimum of 3-years consulting or similar experience.
- Experience with fish, wildlife, and ecosystems of the southern interior of BC.
- Experience with Environmental Impact Assessments, Permitting, Construction Environmental Management Plans, and Environmental Construction Monitoring.
- Knowledge of the *Riparian Areas Protection Regulation*, *Water Sustainability Act*, local government processes and bylaws, and pertinent provincial and federal legislation.
- Demonstrated Leadership and mentoring of junior biologists/technicians.
- Excellent oral, written, and data presentation skills.
- Ability to multitask and work well with a multidisciplinary team.
- Knowledge or experience with engineering and construction practices.
- Preference will be given to candidates with Project Management, budget, scope preparation, and business development skill sets.
- Preference given to candidates certified in backpack electrofishing, Riparian Areas Protection Regulation, Environmental Monitoring, Erosion and Sediment Control, Swift Water Rescue Technician, Small Vessel Operator Proficiency (SVOP) and/or Marine Emergency Duty (MEDA3).
- Preference will be given to candidates with strengths in permitting, project management, budget and proposal preparation.
- Must be registered with the BC College of Applied Biology or have a similar professional designation.

Interested persons are encouraged to submit resumes electronically or in person with a cover letter detailing your experience to: [ecoscape@ecoscapeltd.com](mailto:ecoscape@ecoscapeltd.com). We thank all those interested in this opportunity; however, only those short-listed will be contacted. Short-listed candidates can expect to appear in-person for an interview at our Kelowna office, if feasible. We will consider reasonable travel expenses following a pre-screening phone interview.
