

IMMEDIATE OPENING
JUNIOR / INTERMEDIATE BIOLOGIST
Posted: July 21, 2023 – Closing Date: Until Position Filled

Ecoscope Environmental Consultants Ltd. is a mid-sized environmental consulting company located in Kelowna, BC. We provide a broad range of environmental services for our clients, focusing primarily on biophysical inventory and mapping, ecological land use planning, fish and wildlife studies, groundwater assessments, and contaminated sites investigations. Ecoscope offers exciting opportunities for individuals to work on a wide variety of projects throughout BC. We are currently seeking applications for a **Junior / Intermediate Biologist**.

The ideal candidate will have the following experience/skills:

- Proficiency with MS Office.
- Experience with fish, wildlife, and ecosystems of the southern interior of BC.
- Experience with Environmental Impact Assessments, Permitting, Construction Environmental Management Plans, and Environmental Construction Monitoring.
- Knowledge of the *Riparian Areas Protection Regulation*, *Water Sustainability Act*, local government processes and bylaws, and pertinent provincial and federal legislation.
- Excellent oral, written, and data presentation skills.
- Ability to multitask and work well within a multidisciplinary team.
- Knowledge or experience with engineering and construction practices.
- Strong written and verbal communication skills and excellent time management.
- Highly motivated to self-train, improve their skillset and quickly and effectively take on greater responsibility.
- All candidates must be eligible with professional designations with the College of Applied Biology or the British Columbia Institute of Agrology.
- Preference is given to applicants with certifications in backpack electrofishing, Riparian Areas Protection Regulation, Environmental Monitoring, Erosion and Sediment Control, Swift Water Rescue Technician, Small Vessel Operator Proficiency (SVOP) and/or Marine Emergency Duty (MEDA3).

Interested persons are encouraged to submit resumes electronically or in person with a cover letter detailing your experience to: ecoscape@ecoscapeltd.com. We thank all those interested in this opportunity; however, only those short-listed will be contacted. Short-listed candidates can expect a virtual or in-person interview at our Kelowna office. We will consider reasonable travel expenses following a pre-screening phone interview.
